Uit die kantoor / From the office

1. Personeelaangeleentede / Staff

1.1 Mnr. du Preez is nog met siekteverlof.

2) The difference between PAT and SBA

SBA (School Based Assessment) This mark forms part of the learner ' s year mark. It can consist of tests; tasks; investigations etc. It forms a substantial part of the learners ' promotion mark at the end of the year.

PAT (Practical Assessment Task) . This is a practical activity separate from SBA. If a learner obtains 70/100 for PAT, he/she only has to obtain 50/300 for the remaining marks to enable him/her to pass. Unfortunately learners do not take PAT seriously and teachers struggle to get learners to complete their PAT.

3) Skoolbywoning

Leerders se skoolbywoning wek kommer. Ek doen 'n beroep op u as ouers om toe te sien dat u kind(ers) gereeld skool toe kom.

4) Neatness

Neatness is part of:

- discipline. Discipline is an important part of education.
- it is both parents' and educators' responsibility.

The code of conduct has the neatness rules in it and learners know it. Parents must please ensure that their children adhere to the school's rules regarding neatness. We send SMS's during the holiday to remind parents about their children's neatness and then learners come back to school after the holiday with hair that is either coloured or too long.

5) Finansies

5.1 Die bronne waaruit die skool gefinansier word:

- * **Departementele bydrae**
- * **Skoolfonds**
- * **Insamelings**

Die beleid van die skool was nog altyd **om so min as moontlik** insamelings te hou. Die belangrikste projek is die kultuuraande. Die departementele bydrae is 'n klein gedeelte van die inkomste.

Die gevolg is dat:

- a) Daar meer in die toekoms op skoolfonds staatgemaak sal word, veral in die lig van die verminderde toekenning van onderwysposte aan skole.
- b) Indien 'n rekening aan die invorderaars oorhandig word, die skool nie meer gaan onderhandel nie.
- c) Die finale datum om aansoeke vir beurse is die laaste dag van Februarie elke jaar. Geen laat aansoeke sal oorweeg word nie. **Die voltooiing en inhandiging van die aansoek is die ouers se verantwoordelikheid en nie die kinders s'n nie.**

5.2 Soos in 'n vorige maandbrief vermeld is, is die busdiens net moontlik as dit finansiëel lewensvatbaar is. Sekere roetes is net nie meer lonend nie en daar sal in die toekoms na hierdie roetes gekyk moet word.

5.3 **NB: As u geld inbetaal, maak seker dat u KIND se naam en van gebruik word as verwysing. U eie van verskil moontlik van die kind sin en daarom lê daar tans heelwat inbetalings in die Afwagrekening, want ons kan dit nie allokeer nie. HELP ONS ASSEBLIEF IN HIERDIE VERBAND.**

6. New learners

Applications for 2019 can be done NOW. Closing date is 30 September 2018.

Preference will be given to the following learners:

- a) Learners who live within the school's feeder area or parents who work in the school's feeder area. The feeder area is available at the office.
- b) Learners who have/had brothers or sisters in the school.
- c) Learners from Bloemfontein Primary School and Visser Primary School. (Afrikaans)

7. Tugkomitee

Graag bring ek die volgende onder die aandag van die ouers betreffende die tug-prosedure van die skool.

- a) Die gedragkode van die skool is beskikbaar by die skool. Leerders word aangekla vir die oortreding van die gedragkode.

- a) Ouers ontvang ten minste 7 dae vooraf 'n kennisgewing van die tugvergadering. Daar word ook 'n SMS gestuur.
- b) Ouers het ook die reg om te appelleer teen die straf. Die saak word dan verwys na die beheerliggaam. Ouers moet appelleer voordat die straf inwerking tree.
- c) Ouers word skriftelik in kennis gestel van die beslissing van die tugkomitee. Die brief word gepos na die adres soos verskyn op die SASAMS-stelsel.

8) Website

Remember to make use of our school 's website. All relevant information such as the code of conduct, neatness rules and the monthly letter are on our website. You can find our website on www.hsbfn.com / Please remember to visit our web page for any information you may need.

9) Selfone / Cell phones

Die skool aanvaar geen verantwoordelikheid vir selfone wat verlore gaan nie. Ouers en leerders moet dit nie eers by die kantoor rapporteer nie / The school does not take any responsibility for any lost/stolen phones. Parents and learners should not even report it at the office as there is nothing that the school can do to help.

10) Maatskaplik / Social welfare

Hoërskool Bloemfontein dra die belange van sy leerders op die hart. Die leerders van vandag, die sogenaamde Z-generasie, het nuwe uitdagings waarmee hulle gekonfronteer word. Dit is belangrik dat hulle op 'n biopsigososiale en geestelike vlak gesond kan funksioneer.

Soms is 'n kind se gedrag net 'n noodkreet om hulp. Daarom is die maatskaplike dienste by die skool beskikbaar om die kinders te ondersteun met die nodige hulpbronne. U is welkom om vir Elsabe Bester by die skool te kom sien en probleme en bekommernisse met haar te kom bespreek / Bloemfontein High School has a well-functioning social service run by Elsabe Bester. You as parents are also welcome to contact her with any problems/ concerns regarding your child's social welfare. There is a post box against the wall of me. Bester's office. Any learner who has a problem, can leave her a letter in the post box.

11) Gemeenskapsprojek/ Community project

On 8 May we visited Tswellang School for learners with special needs. We took a donation of clothing and toiletries which were gathered by the learners in our school.

Our learners were amazed and moved to tears as we interacted with these learners. We admired the fact that they try to live as normal a life as possible with their disabilities e.g. playing soccer in their wheelchairs. Some were playing table tennis despite having no hands while the racket was strapped to their arms.

We are now collecting clothes for Pholoho Secondary School. We ask parents and learners to support US.

JIK

This term was extremely fruitful at JIK, the term series that we did was called *#relationshipgoals*. This series focused on 4 aspects of relationships.

Our relationship with others

Our relationship with God

What a godly man looks like

What a godly woman looks like.

In this series we also decided to have a discussion in the class, JIK entered the LO classes and asked the question: "What does a healthy relationship look like?" The response was awesome. The learners of Bloem High really participated and we feel that real conceptions of what a good relationship looks like were challenged and some changes were made in people's lives to ensure better relationships in the future.

By JIK het ons hierdie kwartaal gepraat oor verhoudings, ons tema vir die kwartaal was gebaamd: "*#relationshipgoals*". In hierdie reeks het ons 4 aspekte van verhoudings bevestigteken.

Ons verhouding met mekaar

Ons verhouding met God

Hoe 'n goddelike man lyk

Hoe 'n goddelike vrou lyk

In hierdie reeks het ons ook besluit om die gesprek te bevorder deur dit te vat na die LO klasse. In die klasse het ons bietjie die wêreld se beeld van 'n verhouding bevestigteken, die terugvoer was versommend! Daar is talle leerders wat besluit het om beter verhoudinge in die toekoms te beoefen.

Klere wat nie meer gedra word / Clothing not used anymore

It is winter and many learners can't afford to buy new warm school wear. We ask learners to donate their "old" clothes to the school for learners in need. As u enige skoolklere het wat te klein is of nie meer gebruik word nie, stuur dit asb. skool toe, daar is heelwat leerders wat dit kan gebruik. Leerders kan dit by mev. R Nel ingee.

Akademie / Academics

Leerders wat nie SBA take ingee en so maklike punte verloor is 'n groot rede tot komer. We ask you as parents to help learners to submit all SBA tasks. Leerders moet elke dag huiswerk doen en hul deeglik voorberei op toetse. Ask learners to show you their books so that you can check on their performance. If learners were absent without excuse during the examination, they will receive zero marks. It is the responsibility of the learners /parents to submit a medical certificate / sworn affidavit to the office in order to receive an absent on their reports.

Winter schools: Grade 12 / Winterskole vir Graad 12

Aardrykskunde Toer / Geography Tour

The tour will take place from 25 June to 29 June and we are going to Golden Gate. Leerders gaan heelwat opvoedkundige praatjies deur opgeleide beamptes van SanParke ontvang en daar gaan baie pret ook wees.

NETBAL / NETBALL

Baie geluk aan die volgende netbalspeelsters wat vir onderskeie Vrystaatspanne gekies is:

- Megan Geduldt (0/15) → Alexandra Windvoël (0/15)
→ Khumo Morwe (0/16) → Kgalalelo Morwe (0/17)

Die 0/18 A Netbalspan het ook vir die 2de jaar die Vrystaat Streekkampioenskappe gewen. Baie geluk aan Juf. Vd Walt en haar Span.

Our U/19 A netball team has made us extremely proud again this year. This group of committed young ladies are playing excellent netball. They won the league when they beat President Steyn 34/30. They then progressed to the Free State District Championships where they beat Heilbron 32/24 and Reitz 27/24 to become the Free State CHAMPIONS for the second consecutive year. This is absolutely brilliant. Congratulations to the girls and also to their very enthusiastic and committed coach, Ms Van der Walt. She believes in these girls and they have worked very hard to be so successful.

The following girls have also been included in various Free State netball teams in their respective age groups: Khumo Morwe, Kgalalelo Morwe, Megan Geduldt en Alexandra Windvoël. Congratulations to all these girls and their coaches. The rest of the netball league will end next term and complete results for all the other teams will be given then.

Aan die einde van die tweede kwartaal kyk ons met trots terug op 'n baie suksesvolle en besige sportkwartaal.

Ons spanne het hulle harte uitgespeel en hulle het altyd met 'n positiewe gesindheid op die veld of baan gegaan. Ons leerders se gedrag op en van die veld was uitstekend en hulle was ware ambassadeurs vir ons skool.

Our **hockey teams** have done very well in their respective leagues and Donique Ferreira and Kagisho Sebusi were selected for the u/16 Free State hockey team. Congratulations to these two learners, we are so proud of you.

Die volgende twee seuns is gekies vir die **O/19 Vrystaat Kiewiete-span**:

SJ Schoeman en Alex van Rensburg. Baie geluk julle twee manne, julle maak ons trots.

The **chess** has done well in their leagues thus far. Their leagues end next term during August when we will report fully on how they have done.

Ons **tennispanne** is ook nog besig met hulle liga en volledige uitslae sal volgende kwartaal gegee word.

Congratulations to Kagiso Sebusi who made the **soccer team** for under 16 Motheo Region. Well done Kagiso !

Baie dankie aan al die sportmanne en vroue wat ons skool se naam hoog gehou het en aan al die ouers vir u ondersteuning by elke wedstryd. 'n Groot woord van dank ook aan al die afrigters vir die moeite wat elkeen van u met ons leerders gedoen het.
