

NUUSBRIEF / NEWS LETTER

MAART / MARCH 2025

Finansies

Skoolgeld beloop R1250 per maand vir 11 maande betaalbaar vanaf Januarie tot November 2025. Slegte skulde (uitstaande gelde) is op 31 Desember 2024 aan die invorderaars oorhandig. Ongelukkig veroorsaak dit ekstra kostes vir die ouers.

Busgeld beloop R1 950 per kwartaal. Die skool kan nie langer verliese op busvervoer bekostig nie en sal streng optree indien wanbetaling plaasvind. Die skool ontvang geen subsidie vanaf die Onderwysdepartement t.o.v die vervoer van leerders nie.

Die skool is vanaf 2025 kontantvry. Ons versoek ouers om asseblief gebruik te maak van elektroniese bankdienste.

Ons ontvang steeds betalings sonder verwysings. Indien die naam en van nie as verwysing aangedui word nie, kan die gelde nie reg geallokeer word nie.

Dui ook aan waarvoor u die betaling maak, bv. s/f (skoolfonds) of b/f (busfonds).

Bankbesonderhede as volg:

Ons wil elke ouer wat getrou skoolgeld en busgeld betaal, hartlik bedank,

Finances

School fees amount to R1250 per month for 11 months payable from January to November 2025. Bad debts (outstanding fees) were handed over to the Collectors on 31 December 2024. Please avoid as this causes extra costs.

Bus fees amount to R1 950 per term. The school cannot afford losses on transport any longer. Strict action will be taken against parents who do not pay bus fare. The school does not receive any subsidy from the Department of Education for transport of learners.

As from 2025 the school operates on a cashless system. We urge parents to make electronic payments.

We still receive payments without a reference. If we receive such payments it is not possible to allocate it to the correct account.

Please indicate what payments are made for: example s/f (school fund) or b/f (bus fund).

Bank details as follows:
ABSA

We would like to thank every parent who faithfully pay the school and bus fees.

Siek Leerders

Ons doen 'n beroep op ouers dat indien u kind siek is, om hul asseblief by die huis te hou.

BAIE BELANGRIK

GEEN medikasie word by skool aan leerders verskaf nie.

GEEN leerder mag ouer direk kontak om hom/haar by die skool te kom haal tydens skoolure nie.

Dit moet asseblief deur die proses gaan deur die kantoor.

Leerders se veiligheid is prioriteit en die skool moet weet as leerder skoolgronde verlaat gedurende skoolure.

LEERDER AFWESIGHEDE

Leerders wat die dag afwesig van skool is, het nogsteeds 'n **VERANTWOORDELIKHEID** om die dag se huiswerk en klaswerk uit te vind en op te vang.

Elke klas en vakgebied het WhatsApp groepe waar leerder inligting kan bekom.

Ons vra asseblief vir ouers/voogde en leerders om **VERANTWOORDELIKHEID** te vat en onderwysers te ondersteun.

Sick Learners

We appeal to parents that if your child is sick, to please keep them at home.

VERY IMPORTANT

NO medication is available at school for learners.

NO learner may contact parents directly to fetch them from school during school hours.

There is a process that must be followed through the school office.

Learners safety is our first priority and the school must be informed if a learner has to leave school during school hours.

ABSENT LEARNERS

Learners that are absent from school have a **RESPONSIBILITY** to find out and catch up on the days homework and class work.

Each class and subject has a WhatsApp group where information can be retrieved.

We ask parents/guardians and learners to take **RESPONSIBILITY** and please support the teachers.

Ekstra Klasse / Eksamenvraestelle In Die Middag

Leerders is verantwoordelik om EIE vervoer te reël indien ekstra klasse smiddae aangebied word of waar eksamen vraestelle in die middag na skool afgelê word.

Extra Classes / Exam Papers In The Afternoon

Learners are responsible for organising OWN transport where extra classes and exam papers are written in the afternoons after school.

BUSREËLS & VOORWAARDES

Die skool behou die reg om enige leerder wat ondergenoemde reëls oortree, se busvervoer summier op te skort.

1. Geen musiek, dans en/of geskree word op die bus toegelaat nie.
2. Geen papiere of items mag by die bus se venster uitgegooi word nie.
3. Die busgeld is verpligtend en betaalbaar voor die 7de van elke maand.
4. Busgeld word steeds betaal al is dit skoolvakansie, behalwe Desembermaand.
5. Leerders word slegs by hul aangeduide stop op -en afgelaai. Geen leerder word langs die roete afgelaai nie.
6. Leerders moet ten alle tye die skool se beleidsmaatreëls nakom. (Bv. netheid en skooldrag)
7. Geen vuiltaal sal op die bus toegelaat word nie.

Busreëls is in plek om die volgende redes:

- Die busbestuurder het 'n groot verantwoordelikheid om leerders veilig te vervoer. Dit word bemoelik wanneer leerders op die bus sing, dans en skree.
- Deur rommel en voorwerpe by die bus se venters uit te gooi, word 'n baie negatiewe beeld van ons skool na buite gestuur.
- Dit is belangrik dat ouers betyds betaal sodat die skool sy verskaffers kan betaal. Hoërskool Bloemfontein se busgeld is steeds die goedkoopste in die stad. Die skool maak geen wins deur vervoer aan te bied nie.
- Vir die veiligheid van ons leerders, asook vir die busbestuurders, word leerders op geen ander plek langs die roete op en- afgelaai nie. Slegs by hul aangewysde stop.

BUS RULES & TERMS

The school reserves the right to suspend the bus transport of any learner who violates the rules mentioned below:

1. No music, dancing, and/or shouting will be allowed on the bus.
2. No papers or any items must be thrown out of the bus windows.
3. The bus fee is compulsory and payable before the 7th of every month.
4. Bus fees are still paid even if it is a school holiday, except in December.
5. Learners will not be allowed to get on or off the bus except at their designated stops.
6. Learners must always adhere to the school's code of conduct. (Example. Neatness and uniform)
7. No foul language will be allowed on the bus.

Bus rules are in place for the following reasons:

- The bus driver has a great responsibility to transport learners safely. It becomes difficult if learners sing, dance, and shout on the bus.
- Throwing rubbish and objects out of the bus sends a very negative image of our school to the public.
- It is important that parents pay on time for the school to pay its suppliers. Bloemfontein High School's bus fees are still the cheapest in town. The school makes no profit by offering you transportation.
- For the safety of our learners, as well as for the bus drivers, learners will not be picked up or dropped off along the route. Only at their designated stops.

Gemeenskap (Rooikappie Pre-Primêr)

Ons leerders het 'n hartroerende ervaring tydens hul uitreik na Rooikappie Pre-Primêr gehad waar hulle kwaliteityd met die leerders spandeer het. Dit was 'n vreugdevolle ervaring wat glimlagte op die klein kindertjies se gesigte gebring het. Oomblikke soos hierdie verhelder nie net die lewens van die kinders nie, maar kweek ook empatie, vriendelikheid en 'n gevoel van gemeenskap by ons leerders. Ons is trots om te sien hoe hulle 'n verskil maak en positiwiteit versprei!

#GemeenskapUitreik
#BloemiesMaak'nverskil

Community (Rooikappie Pre-Primary)

Our learners had a heartwarming experience during their outreach to Rooikappie Pre-Primary, where they spent quality time playing with the children. It was a day filled with laughter, joy, and meaningful connections as our learners engaged in fun activities, bringing smiles to the little ones' faces. Moments like these not only brighten the lives of the children but also instil empathy, kindness, and a sense of community in our learners. We are proud to see them making a difference and spreading positivity!

SAMO Kompetisie

Op 13 Maart het 10 van ons leerders deel geneem aan die Suid-Afrikaanse Wiskunde Olimpiade.

Die volgende leerders het deur gedring na die tweede rondte wat op 15 Mei 2025 gaan plaasvind:

- Hlohonolofatso Sephula (9E4)
- Trevor Mudamburi (10E2)
- Prince Conduah (11E1)

Ons is ongelooflik trots op ons leerders en bly dat hulle 'n liefde het vir Wiskunde.

SAMO Competition

On 13 May 10 of our learners participated in the South African Mathematics Olympiad.

The following learners will go through to the second round on the 15 May 2025:

- Hlohonolofatso Sephula (9E4)
- Trevor Mudamburi (10E2)
- Prince Conduah (11E1)

We are extremely proud of all our learners and very glad that they have a love for Mathematics.

STREWE ALTYD HOËR

Intervensie Gr.8-12

Gedurende kwartaal twee sal die skool 'n verpligte "Laat alles val en lees" program vir alle leerders in graad 8-12 implementeer. Hierdie inisiatief vereis dat elke leerder 'n selfgekoose roman, in Engels of Afrikaans (uitgesluit voorgeskrewe tekste), op aangewese dae skool toe bring. 'n Twee en negentig bladsy hardebandnotaboek word ook benodig vir daaglikse gebruik in samewerking met intervensiestrategieë. Verder sal die skoolkurrikulum gewysig word om toegewyde intervensieperiodes in te sluit, met die doel om te verseker dat alle leerders hul volle akademiese potensiaal bereik.

Intervention Gr.8-12

During Term Two, the school will implement a compulsory "Drop All and Read" program for all learners in Grades 8-12. This initiative requires each learner to bring a self-selected novel, in either English or Afrikaans (excluding prescribed texts), to school on designated days. Additionally, a 92-page hardcover notebook is required for daily use in conjunction with intervention strategies. Furthermore, the school curriculum will be amended to include dedicated intervention periods, aimed at ensuring all learners achieve their full academic potential.

Redenaarskompetisie

Die redenaarskompetisie wat op 3 Maart 2025 gehou is, was 'n bewys van die ongelooflike talent van ons leerders. Daar was beide 'n junior- en 'n senior afdeling, met 'n paneel beoordelaars wat die indrukwekkende sprekers moes evalueer. Die deelnemers het al hul voorbereiding self gedoen en het uitmuntend gevaar. Die vlak van spreekkuns was van die hoogste gehalte. Die top vier juniors en die top vier seniors sal later vanjaar tydens die prysuitdeling sertifikate ontvang.

Public Speaking Competition

The public speaking competition held on 3 March 2025 showcased the incredible talent among our learners. There was both a junior and a senior division, with a panel of judges evaluating the impressive speakers. The participants had to do all their preparation themselves and they excelled. The level of public speaking was truly outstanding. The top four juniors and the top four seniors will receive certificates at the prize-giving later this year.

Dissipline

Elke skool het nodig om 'n funksionele dissiplinêre stelsel te hê. Ons by Hoërskool Bloemfontein poog voortdurend om die dissipline met omsigtigheid te hanteer. Ons wil graag hê dat leerders en ouers met die skool moet hande vat om die skool vooruit te neem. Ons klededrag is sekerlik van die mooiste in die stad en ons is baie trots daarop. Ongeveer 90% van ons leerders deel hierdie sentiment en koop in by voorskrifte soos uiteengesit in ons gedragskode. Ongelukkig is daar

Discipline

Every school needs to have a functional disciplinary system. We at Bloemfontein High School constantly endeavor to handle the discipline with caution. We would like learners and parents to work with the teachers to take the school forward. Our uniform is certainly one of the most beautiful in the city and we are very proud of it. Approximately 90% of our learners share this sentiment and adhere to regulations as set out in our Code of Conduct. Unfortunately, there are 10% of

10% van die leerders wie geen erg het in ons skool trots nie en blatant oortree by netheidsreëls. Hierdie leerders maak dit baie moeilik om die skool as 'n eenheid te laat funksioneer. Ons wil aan ouers en voogde vra om toe te sien dat elke leerder netjies en volgens die gedragskode aangetrek is.

As gevolg van 'n onnet voorkoms in die winter, het die beheerliggaam dit goedgevind om weg te doen met "beanies". Daar sal dus voortaan geen "beanie" meer op die skoolgronde toegelaat word nie.

Daar is ook talle leerders wat hoede op die stoepe en tydens skoolure dra. Dit is nie deel van die skooldrag nie en sal nie geduld word nie.

Let ook asseblief daarop dat dogters nie toegelaat word om grys broeke aan te trek nie. Slegs die "navy" langbroek word toegelaat. Op Maandae, Woensdae en Vrydae word geen sweetpakke toegelaat nie. Netjiese akademiese uniforms is verpligtend op hierdie dae.

Let ook asseblief daarop dat leerders wie 7 netheidsoortredings begaan, 'n strafkaart van 200 punte sal ontvang.

Daar word van leerders verwag om netjies te bly ten alle tye wanneer hulle skoolklere dra. Dit geld ook vir voor en na skool.

Ons moet ongelukkig streng wees op die netheid, om seker te maak dat die dissipline by die skool van 'n hoogstaande standaard is.

Ons wil aan ouers vra om u asseblief te vergewis wat op u kind se selfoon aan die gang is. 90% van dissiplinêre probleme by die skool is as gevolg van sosiale media.

Baie dankie vir samewerking van die leerders en die ouers.

learners who blatantly violate our neatness rules. These learners make it very difficult to make the school function as a unit. We would like to ask parents and guardians to ensure that every learner is dressed neatly and in accordance with the code of conduct.

Due to untidy appearance in winter, the governing body saw fit to do away with "beanies". Henceforth, no "beanie" will be allowed on the school grounds from now on.

There are also many learners wearing hats on the porches and during school hours. It is not part of the school uniform and will not be tolerated.

Please also note that girls are not allowed to wear gray pants. Only the "navy" trousers are allowed. On Mondays, Wednesdays and Fridays, no tracksuits are allowed. Neat academic uniforms are mandatory on these days.

Please also note that learners who commit 7 neatness offences will receive a penalty card of 200 points.

Learners are expected to stay tidy at all times when they are wearing school clothes. This rule also applies to before and after school.

Unfortunately, we have to be strict on neatness, to make sure that the discipline at the school is of a high standard.

We would like to ask parents to please familiarize themselves with what is happening, on your child's mobile phone. 90% of disciplinary problems at school are due to social media and cyber bullying.

Thank you very much for the cooperation of the learners and the parents.

SHE-Reps

Die graad 11 VRL-leerders is gekies as die skool se veiligheidsverteenwoordigers (SHE-Reps). Hulle het opleiding ontvang van mnr. Willem Coertzen oor die skool se Veiligheidsbestuurstelsel (SMS) en hoe om 'n veiligheidsinspeksie uit te voer en gevare aan te meld. Dit was 'n uiters insiggewende ervaring wat hul horisonne verbreed het. Hierdie gesondheids- en veiligheidsinisiatief plaas ons skool op die voorpunt as een van die vlagskipskole in die distrik. Die SHE-verteenwoordigers sal later vanjaar tydens die prysuitdeling sertifikate ontvang. Onthou, veiligheid is almal se verantwoordelikheid, en die fisiese én emosionele welstand van ons leerders bly ons hoogste prioriteit.

SHE-Reps

The Grade 11 RCL learners have been chosen as the school's safety representatives (SHE-Reps). They received training from Mr. Willem Coertzen on the school's Safety Management System (SMS) and learned how to conduct safety inspections and report hazards. This was an extremely insightful experience that broadened their horizons. This health and safety initiative places our school at the forefront as one of the flagship schools in the district. The SHE representatives will receive certificates at the prize-giving later this year. Remember, safety is everyone's responsibility, and the physical and emotional well-being of our learners remains our top priority.

Junior Bestuurspan

Diensbaarheid. Ons hoogste prioriteit!

As die JBS is ons trots op ons skool. Ons is 'n span van 30 individue wat hul toegewysde take na die beste van ons vermoë voltooi. Ons hou in gedagte dat daar geen "ek" 'n span is nie.

Hoërskool Bloemfontein het baie waardes, waarop ons baie trots is, is diensbaarheid. Om ons skool eerste te stel en te verseker dat die skool in die beste toestand moontlik is, is een van die veelvuldige doelwitte en visies wat ons vir ons skool in 2025 koester.

Ons streef hoër in take wat aan ons opgedra is, met die doel om elke keer beter resultate te behaal. Ons is Bloemies in murg en been.

Junior Management Team

Servitude. Our top priority!

As the JMT, we take pride in our school. We are, in fact, a team of 30 individuals who, together, are able to complete assigned tasks to the best of our ability whilst keeping in mind that there is no "I" in team.

Bloemfontein High School has many values, but what we take pride in is servitude. Putting our school first and ensuring that the school is in the best condition possible happens to be one of the multiple goals and visions we have for our school for the year 2025.

We strive higher in tasks we're assigned, aiming to achieve better and improved results every time, like true, proud Bloemies.

Skoolgronde

Mnr. Scott en die Grond en Geboue komitee het ons skoolterreine aansienlik verbeter met nuwe naamborde en pragtig ontwerpte tuine.

Hierdie opgraderings het die omgewing getransformeer en 'n meer verwelkomende en visueel aantrekklike ruimte geskep.

School Grounds

Mr Scott and the Grounds Committee has significantly enhanced our school grounds with new signage and beautifully designed gardens.

These upgrades have transformed the environment, creating a more welcoming and visually appealing space.
